

FORNITORY FOR THE PRESIDENT

**Hoge and Seminary Buildings to
be Used for President, his Cab-
inet and Many Distinguished
Guests at Battle Anniversary.**

The Fiftieth Anniversary of the title of Gettysburg Commission are gathering with authorities at Gettysburg and College for the use of the place buildings to house and entertain a president of the United States, a cabinet, the foreign ambassadors, a diplomatic corps and other dignitaries.

...at the time of the big celebration
July 1, 2, 3, and 4, 1912. The several
buildings are admirably adapted to
such purposes and with a little repair...

needed for the entertainment of this large body of distinguished men. It is altogether probable that the college authorities will grant the request of the commission and the presidential party will be comfortably quartered

The Smithsonian Institute of Washington has just donated to Gettysburg College an extremely valuable collection of thousands of geological and

very large measure of credit is due for the securing of this complete collection of rare specimens for the College.

working class in the history of the village, the increase over last year's freshmen class being at least 50 per cent. Some of this is due to the new engineering courses offered.

TEAK SPRINGS LOST

Myers, for York Springs, struck out sixteen batters but lost through poor support.

man, of York street.

IMPROVEMENTS ARE NUMEROUS

Denver & Salt Lake by Construction of New Denver Bridge, New Pavements, Paving and Street Drains.

Outlying in making right about with the spirit of improvement and forward spirit in the movement and this work as any operation going on in any portion of the city.

On Monday Street Construction, Denver and a large force of men started the work of leveling down the old bridge across the "River" on North Washington street. This will be replaced by a concrete structure of considerable width and will not only be a more beautiful and a more ornamental to the city, but the pavement on the west side of the street will be raised several inches over the surface of the "River" in the valley, and the work will be completed in a few days.

The work of remodeling the old boiler property on Adams street is being completed by the Denver & Salt Lake by Construction. The new boiler property is being completed by the Denver & Salt Lake by Construction. The new boiler property is being completed by the Denver & Salt Lake by Construction.

John N. Weaver is having construction work at his property adjacent to that of Mr. DeWitt, on Adams street. The work is being completed by the Denver & Salt Lake by Construction. The new boiler property is being completed by the Denver & Salt Lake by Construction.

The real estate of the Denver & Salt Lake by Construction is being completed by the Denver & Salt Lake by Construction. The new boiler property is being completed by the Denver & Salt Lake by Construction.

CROTHER OF SARAH
